EXPLANATORY STATEMENT

The following statement set out the material facts and reasons for the proposed resolutions stated in the accompanying Notice above:

ITEM NO 1:

AUTHORITY TO BORROW AND CREATE CHARGE ON ASSETS AND MATTERS RELATED THERETO

In order to meet the additional fund requirements of Data Infrastructure Trust (formerly known as Tower Infrastructure Trust) ("Trust") for various corporate purposes, it is proposed by Brookfield India Infrastructure Manager Private Limited ("Investment Manager") to increase the existing borrowing limit to 70% i.e. the aggregate consolidated borrowing and deferred payments of the Trust and/or Hold Co and/or Special Purpose Vehicle ("SPV") as defined under Securities and Exchange Board of India (Infrastructure Investment Trusts) Regulations, 2014 ("SEBI InvIT Regulations") ("Trust Assets") and net of cash and cash equivalent, will not exceed 70% of the aggregate value of the Trust Assets from time to time, on such terms and conditions as the Investment Manager may deem fit in the best interest of the Trust and its Unitholders. The Investment Manager also seeks authorization to create such security as may be required on all or any of the exiting and/or future movable and/or immovable properties of the Trust and/or Trust Assets, for securing the borrowings availed or to be availed by the Trust and/or Trust Assets.

In order to increase the borrowing limit upto 70%, the Trust is required to fulfill the below mentioned conditions:

- obtain a credit rating of "AAA" or equivalent for its consolidated borrowing and the proposed borrowing, from a credit rating agency registered with the Securities and Exchange Board of India;
- utilize the funds only for acquisition or development of infrastructure projects;
- have a track record of atleast six distributions, in terms of Regulation 18(6) of the SEBI InvIT Regulations, on a continuous basis, post listing, in the years preceding the financial year in which the enhanced borrowings are proposed to be made;
- obtain the approval of seventy five percent of the unitholders by value in the manner specified in Regulation 22(5A) of the SEBI InvIT Regulations.

Further, in accordance with Regulation 20(2) of the SEBI InvIT Regulations, the aggregate consolidated borrowings and deferred payments of the Trust, Holdco and the Project SPV(s), net of cash and cash equivalents shall never exceed 70% of the value of the Trust Assets.

Unitholders are requested to note that there is no borrowing at the standalone Trust level. The Trust has obtained an Issuer Rating ("Is") from CARE Ratings Limited, which has assigned "CARE AAA (Is)/Stable" rating to the Trust for its borrowings at consolidated level. This rating indicates highest degree of strength with regard to honouring debt obligations. Also, the Trust has a track record of six distributions in the preceding year FY2020-21.
